ENGINEERING EMPLOYMENT EVENT (E3)

OSPE is proud to present our fourth Engineering Employment Event (E3) in Mississauga.

Our recent E3 events in Ottawa, Sarnia, Kitchener and Toronto brought hundreds of job seekers together with 11-15 employers at each event. Several job seekers were selected for follow-up interviews and some were even hired on the spot!

These highly anticipated events sell out extremely fast on a first come, first served basis. Advance registration is highly recommended. Successful registrants will receive an email with logistical details, tips for job seekers and the list of participating employers before the event. We look forward to seeing you in Mississauga!

WHO SHOULD ATTEND

This event is for underemployed, unemployed and working individuals looking for new opportunities in the engineering field.

This event is for you whether you are:

- an engineering graduate looking for your first entry-level job,

- in your mid-career, or
- already established in your profession

Note: This is a member only event open to OSPE and/or PEO members. For those bringing family/friends, please note that only registered members will be invited into the event space.

EVENT FEE

Advanced registration: \$10 (+ HST)

At the door: \$20 (+ HST)

As this is a member only event, anyone wishing to register for this E3 in person on the day of the event will either need to provide their PEO number, or sign up for an OSPE membership.

Please bring your PEO member number (if you have one), identification and credit card if you choose to register in person at this event.
