

Mathletics Challenge 2012

Welcome to the Mathletics Challenge organized by the Education Committee, PEO Mississauga Chapter. In it's 5th year, the Math Challenge is targeted toward grade 6-8 students and introduces them to engineering and application of math in solving real life engineering problems. Look forward to an invigorating day with exciting prizes for the highest scores and certificates for all participants. Get your thinking caps on and most importantly, don't forget to have fun!

Best wishes,
